

# Effortless, efficient organisation

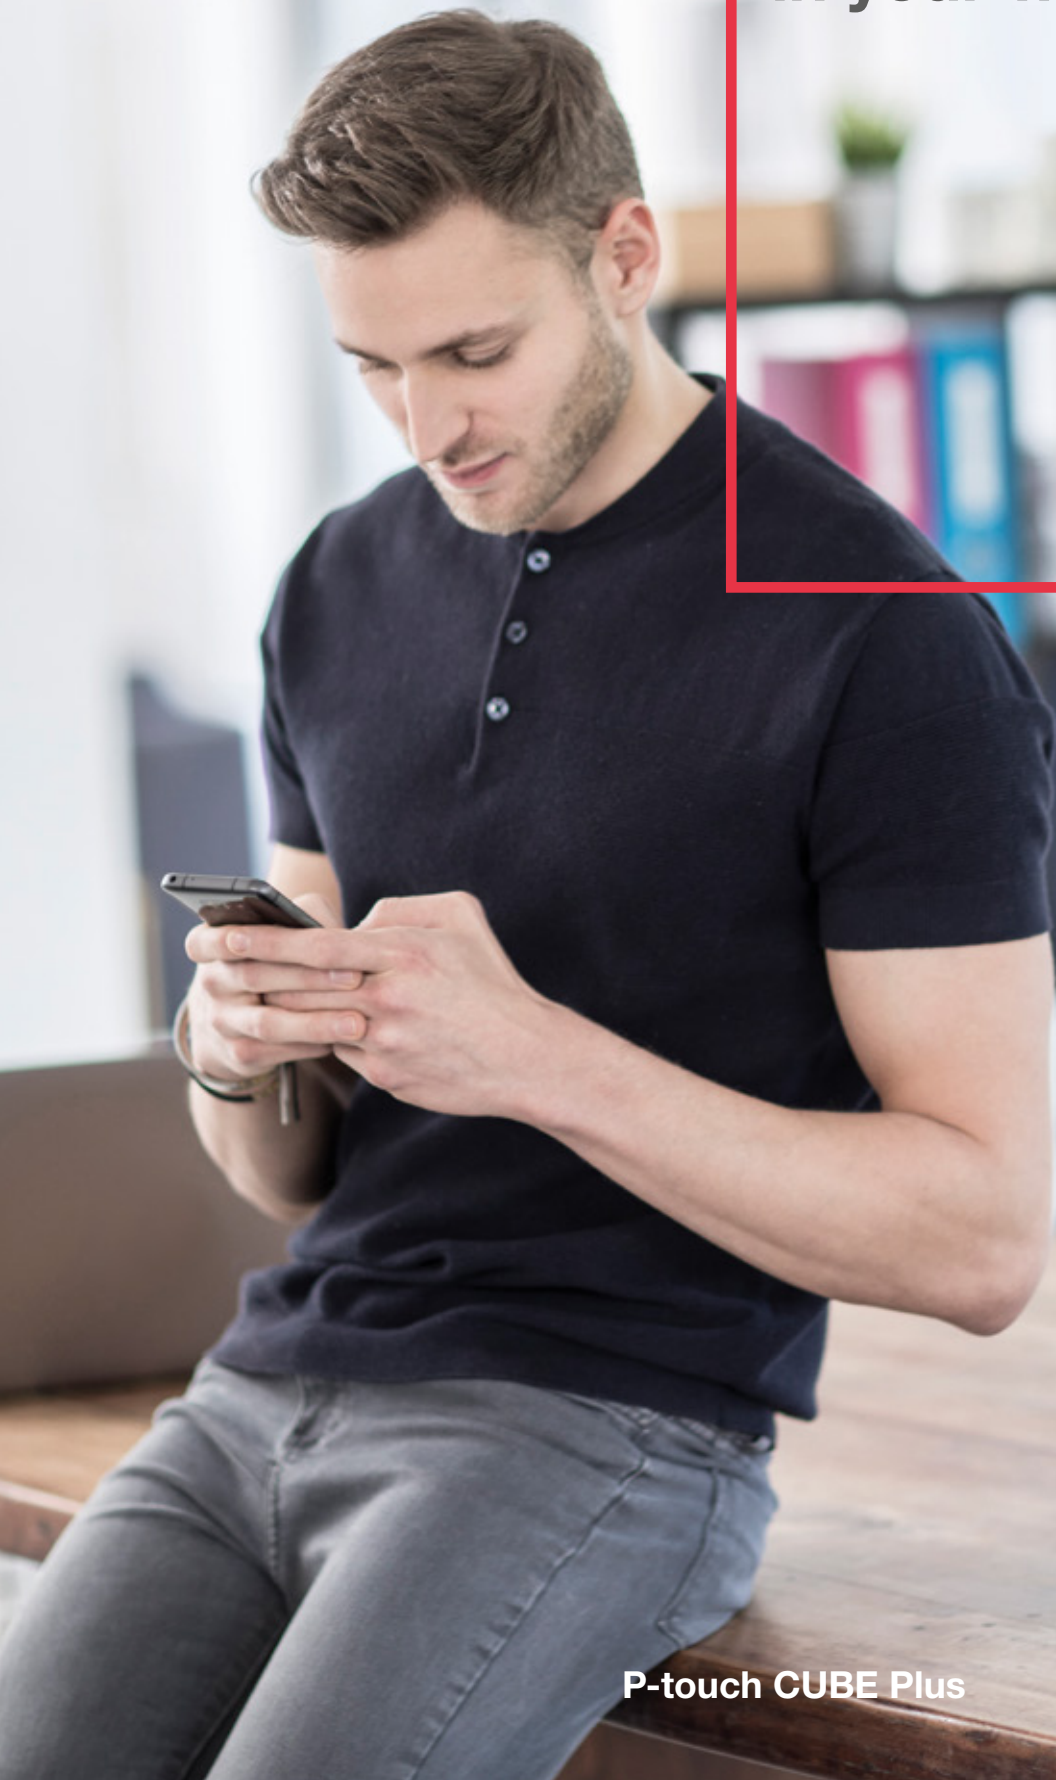

**P-touch CUBE Plus  
label printer**

[www.brother.eu](http://www.brother.eu)

**With rechargeable  
battery, USB and  
Bluetooth connectivity**

**Create labels  
to identify  
important items  
in your workplace**

**P-touch CUBE Plus**

## Labels on demand

## P-touch CUBE Plus

Help keep your workplace organised by quickly printing durable labels on demand.

Fast, high quality printing of durable labels up to 24mm in width.

Works with your PC, Mac, smartphone & tablet.

USB and Bluetooth connectivity.

Recharges from your computer's USB port or a USB charger.

Compact and portable.

# Many design options from your desktop or handheld devices

## P-touch CUBE Plus

## PC and Mac

Brother P-touch Editor label design software gives you powerful editing tools to create the ideal label for your workplace.

- Available as a free download from Brother.
- Include images such as a photo or a company logo.
- Hundreds of built-in clipart, symbols and frames to choose from.
- Link to text contained in an Excel or .csv file to easily print multiple labels with variable information.
- USB connectivity for easy setup and to keep the battery recharged.

## Android and iOS

The free Brother iPrint&Label app connects to your label printer using the Bluetooth connection in your smartphone or tablet. Try it now by using your QR barcode scanner app on the barcodes below, or search 'Brother iPrint&Label' on your device app store.

- Edit then print durable labels directly from your mobile device.
- Available as a free download from your mobile device app store.
- Include images such as a company logo.
- Add barcodes including QR codes.
- Bluetooth connectivity makes it incredibly easy to setup and use.

## Limitless power

Inside the CUBE Plus is a small yet powerful li-ion battery that recharges while connected to your computer. Or plug into any standard USB mains power adapter to recharge on-the-go.

**Battery recharging  
from USB included  
as standard**

# Choose the right tape for the right application

Brother TZe tapes cassettes are available in a wide variety of widths, colours and materials. Most labels have a laminated top-coat, protecting your text from moisture, chemicals, sunlight and extremes of temperatures, making them suitable for indoor or outdoor use.

Use a pastel coloured or patterned labels for gifts or crafts. Premium gold and silver labels are ideal for name badges and custom signage around your workplace. Whatever your labelling needs, there's a P-touch label that's right for you.
